Fran. Bob Helverson called me. He said CDC/ATSDR was asked by WV to evaluate remaining data to make a health call.... Dr Vic Kapil wanted to make sure EPA was ok with that given its a water supply. I said sure as we really haven't taken that role all along.... If any concerns, best to contact Bob or Lora. At this point I doubt if WV will ask for EPA concurrence but I guees its possible

At Temple LaSalle game at Palestra so best to email if needed.
